4 July 2017

Through Mr Dominic Sy (Year Head Primary 1 and 2)

Dear Parents/Guardians,

Primary 1 Term 3 Level Matters

Welcome back! We hope the children had a good break during the June vacation. Here is an update of the activities happening in Term 3.

Learning Journey

The students will be attending the workshop – Doughworkz at PastaMania for their learning journey (LJ). More details about the LJ will be provided by the respective Form Teachers at a later date.

Book Day

The school will be having Book Day on 31 July, Monday, to promote interest in reading. This year, our theme is Singapore Stories. It would be good if you could encourage your child to read a different Singapore story every day and share his/her favourite characters from these books with you. During the Book Day, your child is encouraged to dress up as his/her favourite character. We look forward to his/her active participation.

Programme for Active Learning (PAL)

In Term 2, the Primary 1 students embarked on the module of Sports and Games (SG). Through the module, Character Education (CE) values and 2 social and emotional (SE) competencies; namely, self-awareness and self-management, were inculcated.

This term, the Primary 1 students will be participating in the module of Performing Arts (PA) – Music. This PA – Music module aims to develop all 5 Social and Emotional (SE) competencies in students over a course of 7 lessons. They are self-awareness, self-management, social awareness, relationship management and responsible decision-making.

Physical Education, Art, and Music (PAM)

In Term 3, the Physical Education for the Primary 1 students will focus on developing students' fundamental movement skills. This will be achieved mainly through Dance, Gymnastics, Outdoor Education, and Games and Sports.

On the other hand, the Art and Music Education will be carried out under the Aesthetics Enrichment Exposure Programme (AEEP), which aims to provide students with a wider repertoire of the Art and Music. In respect of Visual Arts, students will be introduced to Elements of Arts such as colours, shapes, and lines. In respect of Music, they will be exposed to the fundamental essential of music making through the playing of different percussion instruments.

Weighted Assessments for Term 3

In Term 3, we will be carrying out some formative and summative assessments to monitor the children's learning progress.
