How are the 10 P1 classes differentiated?

At P1, there is no difference. 1A is the same as 1J.
From P1 to P2, there is no change of class.

At end of P2, there is some banding. From 10 classes (of 30 pupils each), we will form 8 classes (of 40 pupils). The first 150 pupils will be banded.

At end of P4, there is Subject-Based Banding (SBB).
From P5 – P6, there is no change.
