Learning Journey

The students will be going to the National Orchid Garden for their learning journey in Week 3 or 4. More details will be provided by their form teacher.

Programme for Active Learning (PAL)

In Term 1, the Primary 2 students embarked on the module of Outdoor Education (OE). Through the module, students learnt about nature in a fun and enjoyable way. Social and emotional (SE) competencies and Character Education (CE) values in students were also inculcated.

They are self-awareness, self-management, social awareness, relationship management and responsible decision-making.

It features a comprehensive collection of multiple-choice questions, open-ended questions and problems sums as well as Math Olympiad questions.
