4 July 2017

Through Mr Dominic Sy (Year Head Primary 1 and 2)

Dear Parents/ Guardians,

Primary 2 Term 3 Level Matters

Welcome back to school! I hope you and your child had an enjoyable June vacation. This term, we will have many wonderful opportunities to learn and grow together.

Learning Journey

The students will be going to the Milo Factory for their learning journey this term. More details will be provided by their form teacher in due course.

Physical, Art and Music (PAM) Education

MOE has implemented a new framework to enhance the development of 21st century competencies in the students. This will underpin the holistic education to enable the students to develop physical robustness, enhance their creative and expressive capacities, as well as shape their personal, cultural and social identity.

In Term 3, Physical Education for the Primary 2 students will be focused on developing the students' fundamental movement skills. This will be achieved mainly through Gymnastics, Outdoor Education and Games and Sports.

On the other hand, Art and Music Education will be carried out under the Aesthetics Enrichment Exposure Programme (AEEP), which aims to provide the students with a wider repertoire of the Arts and Music. In respect to the Arts, the students will be guided through an inquiry based art lesson in poster painting and wax resist. They will also learn more about the artist, Henri Rousseau. In respect of Music, they will be exposed to the fundamental essential of music making through playing different rhythms in a group and performing using a variety of percussion instruments and body percussion.

Programme for Active Learning (PAL)

The Primary 2 students have participated in 2 PAL modules in Semester 1, namely Outdoor Education (OE) and Performing Arts (PA) – Dance. In Term 3, the Primary 2 students will be starting on the domain of Visual Arts (VA) to further develop their Social and Emotional (SE) competencies and Character Education (CE) values.

The VA module aims to be a platform for students to apply their knowledge and understanding of the 5 SE competencies which they had developed from the 5 PAL modules they previously experienced.

Book Day

The school will be having Book Day on Monday, 31 July, to promote interest in reading. This year, our theme is Singapore Stories. It would be good if you could encourage your child to read a different Singapore story every day and share his/her favourite characters from these books with you. During the Book Day, your child is encouraged to dress up as his/her favourite character. We look forward to his/her active participation.

Assessments

We will continue using various modes of formal and informal assessments to monitor your child's development, so that we could provide the necessary support and guidance.

The formal assessments for the respective subjects in Term 3 are as follows:

Subject	Week/ Day	Assessment	Weightage
English	Week 6 1 August Tuesday	Individual Writing (12 marks) Students have to write a story of at least 80 words based on the given pictures.	5%
