Primary 3 Term 2 Level Matters

Dear parents,

We hope the Primary 3 students had a restful break. Below is an overview of the events planned for Term 2.

1) Semestral Assessment 1

Please refer to Annex 1 for SA1 examination dates, topics and format.

The oral examinations will be held after school from 1.45 p.m. to 3.45 p.m. on 3 April 2017, Monday and 4 April 2017, Tuesday. Students will be dismissed fifteen minutes before the usual dismissal time for lunch on their oral examination days. Their lunch time will be from 12.45 p.m. to 1.30 p.m.. Please make the necessary transport arrangements for your child on the affected dates.

2) Parent-Teacher Meeting

There will be a Parent-Teacher Meeting on 26 May, 2017, Friday. More information will be provided closer to the date.

3) E-Learning Portal for Mathematics

'MonsWorld' is an online Math portal infused with fun games for primary school students. It features a comprehensive collection of multiple-choice questions, open-ended questions and problems sums as well as Math Olympiad questions. The MonsGuide function provides step-by-step solutions to guide students in solving questions they might encounter difficulties in.

Parents can set weekly homework for their children by activating the 'Schedule Homework' function. The system will personalise a weekly homework based on the learning needs of your child. Students earn virtual dollars and potions by learning new Math Skills in the portal. To earn extra potions, students can also compete in the numerous Math Races. The credits earned can be used to release their favourite monsters and grow their baby monsters to become supreme monsters!

For any enquiries, please email MonsWorld at support@sltg.com.sg or call [96277843](tel:96277843) from Mondays to Fridays, 9 am to 6 pm.
