ROLE OF HPPTS SDT

We oversee the design and delivery of a **holistic learning experience** that all students undergo throughout their 6 years of primary education.

Its key role is to provide a **quality school experience** for the students, with emphasis on **values education** and the **development of their socio-emotional needs**.

SUPPORTING YOUR CHILD IN THEIR ACADEMIC JOURNEY

B.E. T.H.E.R.E. for them

**Happy
Healthy
Resilient**

Believe in your child. Emphasise his/her strengths.

Encourage your child to give his/her best.

Treasure the process of learning, not just focus on the results.

Help your child develop a structure and routine for studying.

Expect realistically what your child is capable of. Help him/her experience success.

Recognise the signs of stress and anxiety. Address them with your child.

Empathise with your child regarding the challenges he/she is facing.

Top 5 questions to ask your teacher..

- Is he/she nice to the people around him/her?
- Does he/she interact well with his/her friends?
- What are his/her strengths?
- How can I grow my child's interest in (subject)?
