Year Head for P5 and P6

24 March 2017

Dear Parents of P5 students,

Below is an overview of the events planned in Term 2.

1. Remedial Classes (Mainstream)

Remedial classes have resumed in Term 2 Week 1 on Mondays and Tuesdays from 1.45 pm to 3.45 pm. Selected students would have been informed by the form/subject teachers. Please make the necessary transport arrangements for your children.

2. Homestay Exchange Programme with Singapore Japanese School (SJS)

HPPS, together with SJS, is organising an exchange programme in July 2017.

Selected HPPS students will have the opportunity to attend lessons at SJS and stay at the homes of their Japanese partners for one night. These students will in turn host their partners at our school and their homes.

Details of the programme will be provided on a later date.

3. Educational Career Guidance (ecareers.sg)

The ecareers.sg Primary site is designed to provide primary schools with a tool to facilitate Education and Career Guidance (ECG) for Primary 5 and 6 students. The overall focus of the ecareers.sg Primary site is to promote awareness of careers and to help students develop career search self-efficacy skills.

Students can save and track their skills, interests, values, CCAs and achievements in the ePortfolio in the portal, save information about their favourite Secondary schools and occupations, and begin to plan their next steps into Secondary school and beyond. We strongly encourage parents and students to log onto the website to explore educational pathways beyond the PSLE.
