Through Ms Grace Chan
(Year Head for P5 and P6)

24 March 2017

Dear Parents of P6 students,

Below is an overview of the activities planned for Term 2 and the June holidays.

1. Sungei Buloh Wetlands Reserve Learning Journey (SBWR)

The P6 students will be going on a Science learning journey to SBWR to learn more about the wildlife found in our own wetlands as well as to study how they have adapted to survive in their environment. This learning journey will take place during curriculum hours.

The dates for the learning journey are as follows:

Date/Day	Classes
30 th March (Thursday)	6I and 6J
31 st March (Friday)	6A and 6C
3 rd April (Monday)	6B and 6F
13 th April (Thursday)	6D and 6E
17 th April (Monday)	6H and 6G

2. Educational Career Guidance

The ecareers.sg primary site is designed to provide primary schools with a tool to facilitate Education and Career Guidance (ECG) for the Primary 5 and 6 students. The overall focus of the site is to promote awareness of careers and to help students develop career search self-efficacy skills. Students can save and track their skills, interests, values, CCAs and achievements in the ePortfolio in the portal, save information about their favourite secondary schools and occupations, and begin to plan their next steps into secondary school and beyond. We strongly encourage parents and students to log into the website to explore educational pathways beyond PSLE.

3. Math E-learning on MonsWorld

MonsWorld is an online Math portal infused with fun games for primary school students. It features a comprehensive collection of multiple-choice questions, open-ended questions and problems sums as well as Math Olympiad questions. The MonsGuide function provides step-by-step solutions to guide students in solving questions they might encounter difficulties in.

Parents can set weekly homework for their children by activating the 'Schedule Homework' function. The system will personalise a weekly homework based on the learning needs of your child. Students earn virtual dollars and potions by learning new Math Skills in the portal. To earn extra potions, students can also compete in the numerous Math Races. The credits earned can be used to release their favourite monsters and grow their baby monsters to become supreme monsters!

For any enquiries, please email MonsWorld at support@sltg.com.sg or call 9627 7843 from Mondays to Fridays, 9 a.m. to 6 p.m.

Please refer below for your child's login information.

URL : www.monsworld.com

User ID and Password will follow the following format: #hppsxxxx

→ level of your child
xxxxx → last 5 characters of BC number

Example: For Jane Lim from Primary 6 with BC number T0501234A, her login information will be as follows:

User ID: **6hpps1234a**
Password: **6hpps1234a**

*To set parents' homework, click Homework → Set Schedule.
To monitor your child's progress, click Stars → Statistics. You may also click Report for the Questions Log and Activities Log.*
