While some aspects of education at SCGS may be familiar to the public (eg we offer both the Integrated Programme and the O Level Programme), below is some lesser known info:

- while we are a full school with a primary division, about half our secondary cohort comes from more than 50 non-feeder primary schools
- with Stevens MRT station a stone's throw away, it takes only about 20 min to travel by public transport from SCGS at Dunearn Road to places like Bt Panjang, Yio Chu Kang and Eunos
- we provide substantial financial assistance to ensure that no one who qualifies for a place in SCGS needs to be concerned about affording an independent school education
