Dear Parents

Welcome to Term 2. We had an eventful Term 1, and this term will be equally busy and exciting.

1. Character Value for Term 2 - Integrity

The character value for Term 2 is Integrity. Through the assembly and the Form Teacher Guidance Period (FTGP), we hope to introduce to students the various aspects of Integrity – in words and deeds.

Below is a brief outline of the outcomes for the character value for Integrity.

P1/2 – Being truthful and sincere and keeping to promises made.

P3/4 – Doing what is right and leading by example and taking responsibility for one’s own actions.

P5/6 – Showing characteristics of moral uprightness in various situations and displaying personal integrity by readily recognizing and admitting mistakes.

2. Remembering our Founding Prime Minister, Mr Lee Kuan Yew (1923-2015)

Our Founding Prime Minister, Mr Lee Kuan Yew, passed away on 23 March 2015. To mark the first anniversary of his passing, the school will dedicate this week’s assembly to tell the students about his life and achievements.

3. Parent Teacher Meeting (PTM) for P1-P6 Level

On Friday, 11 March 2016, the form and subject teachers had arranged to meet parents of P1-P6 students. The school would like to thank all the parents who came for the PTM. We apologise that the school was unable to provide adequate parking due to the large number of parents who drive. Thank you for your understanding.

4. Teacher Exchange Programme with Thu Dau Mot University (Vietnam)

HPPS will be hosting four English Language teacher-trainers from Thu Dau Mot University (28 March - 1 April). Our teachers will share their best practices in the teaching of English. The visitors will have the opportunity to interact with some of our students and observe their learning in the classroom.
5. Health Matters

If your child has travelled during the March vacation and is not well, please seek medical treatment and keep him/her at home till he/she recovers.

As we are expecting very warm temperatures in the next fortnight, please ensure your child comes to school with his/her water bottle. Our teachers will be giving them regular water breaks. PE lessons may also be scaled down if the weather is too hot.

6. Students’ Achievements
