## 2017 P4 SBB & HMT Parents' Briefing

*A Leader in Every Child*

## Objective of Subject-based banding (SBB)

- This was introduced as a refinement to the streaming process to help each child realise his potential, based on his interests and strengths.

## Objective of Subject-based banding (SBB)

- Every child is unique.
- Provide the flexibility by offering the option of a combination of standard and foundation subjects, depending on strengths.

## Objective of Subject-based banding (SBB)

- Offering subject(s) at the foundation level enables a child to focus on building up strong fundamentals in the subjects.
- This will better prepare him / her to progress to secondary school.

## How does Subject –Based Banding (SBB) work?

- At primary 4, students sit for school-based examinations.
- School recommends a subject combination based on student's performance.
