4) E-Learning Portal for Mathematics

'MonsWorld' is an online mathematics portal infused with fun games for primary school students. It features a comprehensive collection of multiple-choice questions, open-ended questions and problems sums as well as Mathematics Olympiad questions. The MonsGuide function provides step-by-step solutions to guide students in solving questions they might encounter difficulties in.

Parents can set weekly homework for their children by activating the 'Schedule Homework' function. The system will personalise a weekly homework based on the learning needs of your child. Students earn virtual dollars and potions by learning new Math Skills in the portal. To earn extra potions, students can also compete in the numerous Math Races. The credits earned can be used to release their favourite monsters and grow their baby monsters to become supreme monsters!

For any enquiries, please email MonsWorld at support@sltg.com.sg or call 96277843 from Mondays to Fridays, 9 a.m. to 6 p.m..
