Co-Curricular Activities (CCAs)

Recreational Co-curricular Activities (CCAs) are not open to P1 and P2 students. However, P1 and P2 students are welcome to join our Enrichment Co-Curricular Activities (ECCAs) via the HPPA website (<http://hppa.org.sg>). Your child will be given the opportunity to participate in CCAs from P3 onwards.

Programme for Active Learning (PAL) for Primary 1 and 2

The Programme for Active Learning (PAL) will be conducted for all P1 and P2 students. PAL was introduced by the Ministry of Education (MOE) in 2011 and aims to facilitate the well-rounded development of students in the five learning domains (cognitive, moral, social, aesthetics and physical) and help students to develop social emotional competencies. The modules are experiential in nature and incorporate learning in a creative, fun, and enjoyable way. This year, we will be offering the following modules to P2 students during curriculum time:

| Semester 1 | | Semester 2 | |
|-------------------|--------|------------|--------|
| Term 1 | Term 2 | Term 3 | Term 4 |
| Outdoor Education | Dance | Visual Art | - |

Student Diary

The Student Diary will be used as means of communication between teachers and parents. All students should use the diary to take note of their daily homework and reminders from teachers. We hope that you will check your child's Student Diary regularly.

E-Learning

The school will be subscribing to Monline and Math e-learning portals. Monline is an online interactive learning portal. Students will be given a personal account to access online lesson packages and e-assignments by their subject teachers from home. Parent monitoring accounts will also be provided to allow parents to monitor their child's online activities and e-assignments. Your child's form teachers will provide more updates once the accounts are created. More information on the Math e-Learning portal will be given in a separate letter.

Reading Interest Profile

In our collaborative effort with National Library Board (NLB), we hope your child can log onto the following website for the Reading Interest Profile (RIP) survey:-

<http://www.nlb.gov.sg/discovereads/2017/01/01/reading-interest-profile-2017-lower-primary/>

This survey will help in profiling your child and enable your child to find the appropriate books to read.

You may wish to visit the HPPS webpage and navigate to the tab "Circulars and Forms->P2 Term Letters and Briefing Notes" click on the direct link to the RIP survey for convenience.

Henry Park Primary School Website
