Dear Parents/Guardians,

## **Primary 3 Term 1 Level Matters**

Warm greetings and Happy New Year! On behalf of all Primary 3 teachers, we would like to extend a very warm welcome to you and your child to the new academic year of 2025.

### **Assistant Year Head (AYH) and P3 Class Form Teachers**

I am Mdm Norrehan Mohd Jabbar, the Assistant Year Head for Primary 3. Mr Dominic Sy is the Year Head for Middle Primary. I will oversee the P3 level and ensure that the school is a safe, respectful and conducive learning environment where our P3 students can be engaged in quality learning experiences and acquire lifelong values.

The Form Teachers of the Primary 3 classes and their email addresses can be found [here](#) on the school website. Our teachers can be contacted via email if you have any queries about your child or school-related matters.

### **Student Diary**

Students should bring their student diaries to school daily to take note of their homework and reminders from their teachers.

### **Silent Reading**

Every morning, from 7.10 a.m. to 7.25 a.m., students are to be engaged in silent reading. We strongly encourage our students to bring either English or Mother Tongue storybooks daily. Your support in reinforcing this practice will play a crucial role in nurturing a love for reading in our students.

### **P3 Parents' Engagement**

The P3 Parents' Engagement will be held on Friday, 14 February 2025, from 3 p.m. to 4.30 p.m. The event will commence with a session led by the Principal and Year Head in the school hall, followed by engagement sessions with your child's form teachers in their respective classrooms. We look forward to meeting you during the session. Together, we can foster a supportive learning environment for your child to thrive.

### **Nurturing Lifelong Learners and Joy for Learning**

Since 2023, the P3 to P6 Mid-Year Examinations have been removed to free up time and space in schools to encourage joy and deep learning. Teachers will continue to pace out teaching and learning, using engaging pedagogies to deepen understanding and develop students towards TH.R.I.V.E.

Parents are encouraged to foster holistic approach to education at home, acknowledging and affirming your child's efforts in exploring and learning skills beyond the classroom. Beyond academic grades, encourage your child to persist in cultivating positive learning habits as these directly influence the effort they are willing to invest in their education journey.

### **Assessments Schedule and Subject Briefing Slides**

These resources will be uploaded to the school website. A Parent Gateway (PG) announcement will be sent to notify you once they are available.

## Communication with Parents

Announcements and letters from the school will be sent directly to parents via Parents Gateway (PG). Teachers will also use PG to send consent forms and announcements. Please ensure that the notification for the app is turned on so that you receive information from the school in a timely manner.

## Update of Contact Information

In the event there are changes to your residential address, contact number or email address, please inform your child's Form Teacher.
