Dear HPPA Exco and all parent volunteers. My children's primary school journey in HPPS has come to an end and I would like to thank HPPA for the immense effort in organising various activities for our kids. It is heartwarming to witness and be part of the hard work and dedication of HPPA to bring smiles to our children's faces. With this, I would like to wish all of you the very best and have a wonderful holiday ahead.

Thanks so much Abirami Ambika, Farhaan, Natasha, Manvika, Sakina for your excellent support in Deco, Props (my fav 1 Muruku in each hand= balanced diet 🤝), Photography for creating beautiful memories.
