15 November 2019

The **Henry Park Primary School Parents' Association (HPPA)** works closely with Henry Park Primary School (HPPS) and provides support in key activities/events throughout the year. The activities include conceptualising and decorating the school hall for **festivities, Teachers' Day, Children's Day**, etc. This year, HPPA, together with HPPS Alumni, is proud to sponsor and support the second **Children's Day Carnival**. It was one of the most highly anticipated events by HPPS students.

Since 2015, the HPPA has also initiated a very successful weekly **Story Telling** Program to cultivate the love for reading, open to all **Primary 1 & 2** students. Students are rewarded with a *Story Telling badge* at the end of each semester when the minimum attendance has been achieved.

The HPPA also organises **Enrichment Co-Curricular Activities (ECCA)** to complement Co-curricular Activities (CCA) offered by HPPS. ECCAs are organised and managed by HPPA Parent Volunteers. The aim is to provide students with the opportunity to pursue specific sports or skills not offered by the school as a CCA, or to allow students to learn the sport or skill at an earlier age than HPPS CCA's entry age. List of ECCAs managed by HPPA are:

- Badminton
- Basketball
- Chess
- Golf
- Soccer
- Table Tennis
- Taekwondo
- Tennis
- Wushu

Join HPPA in supporting HPPS's activities. This is the perfect opportunity to get to know the school better and understand the environment that your child is growing in. Membership with the HPPA is **free**. You may contact us at exco@hppa.org.sg or learn more about us at <https://hppa.org.sg>.
