8. Henry Park Primary School Website

Announcements on school matters will be posted on our school's website at <http://www.henryparkpri.moe.edu.sg>. Please visit the website regularly for updates.

In our efforts to go green, subsequent term letters will be emailed directly to parents. In the event there are changes to your email address, please inform our Administration Manager, Mdm Lim Puay Lan, at lim_puay_lan@schools.gov.sg, as we need to update our emailing system. Should you require further clarification, please contact your child's form teacher via email. We look forward to fostering a strong partnership with you.

9. Parent Gateway (PG)

Parents Gateway (PG) is a new digital platform developed by Ministry of Education (MOE) and GovTech to bring greater convenience to parents to perform simple administrative transactions and to stay updated on schools' programmes and activities. This includes receiving timely information on school announcements, events or other information relating to your child and the school. This enables parents to better support their child in their education journey through closer interactions and communications with schools. We will be inviting all parents to onboard PG (Beta).

More information on the PG (Beta) will be given in a separate letter at a later date.

Thank you.
