Dear Parents/Guardians

STUDENT LEARNING SPACE (SLS)

As part of Ministry of Education's (MOE) commitment to nurture future-ready learners, an online learning platform known as the **Singapore Student Learning Space (SLS)** has been developed and rolled out in 2018 by MOE.

The SLS is an online platform with tools and curriculum-aligned resources for all students to learn anytime, anywhere, collaboratively and at their own pace. With the SLS, students can take greater ownership of their learning and pick up skills and habits that prepare them for lifelong learning.

Teachers will also use the SLS to complement classroom teaching and learning through designing meaningful lessons for students to explore and work collaboratively as well as facilitate students to learn at their own pace.

ACCESS TO STUDENT LEARNING SPACE (SLS)

The SLS can be accessed from <https://learning.moe.edu.sg>. A hardcopy letter containing your child's username and password for login has been issued to your child via his/her Form teacher today.

More information can also be found on the school website:

- a) the instructions for you to assist your child with his/her initial login, and
- b) a set of Frequently Asked Questions (FAQs) on SLS.

To facilitate the resetting of your child's password should he/she forget it, it is advisable to key in your email address. Thereafter, please follow the instructions in the email that will be sent for verification to that email account.

For technical assistance, you may contact SLS Helpdesk at helpdesk@sls.ufinity.com or 6702 6513.

We look forward to your support. Let us work together to support your child's learning.

Thank you.

Yours sincerely,
Ms Cassandra Sim
