Through Mr Muhammad Sadhiq
Year Head (Primary 5 and 6)

Dear Parents/Guardians,

Primary 5 Term 3 Level Matters

We hope that you and your child had a good May break. Below is an overview of the activities and events planned for term 3.

Remedial and Stretching Classes (Mainstream)

Remedial and stretching classes will resume after the mid-term break. More information will be given closer to the date.

Assessment (Mainstream)

The school believes both formative and summative assessments are integral parts of our pupils' learning process. In view of the removal of mid-year Semestral Examination, the school will introduce weighted assessment for P5 in Term 3. The distribution of weighting is as shown below.

Term	1	2	3	4
Mode of assessment	Term Review	SA1 (cancelled due to FHBL)	Weighted Assessment	SA2
Weighting	0%	-	25%	75%

The weighted assessment for Term 3 will be conducted in Weeks 5 - 7. More information can be found in Annex 1.

All forms of assessment provide insights to our pupils' learning and as such, we seek your cooperation in ensuring that your child is present during the periods of assessment for all subjects.

If your child is absent for an assessment, his/her Subject Teacher will pass the assessment paper(s) for your child to attempt them as practice. It will not be counted as part of the overall result. A mark of zero will be given to students who are absent without a reason deemed valid by the school for weighted assessments.

Please note that the school will not be conducting any make-up for the written examination papers.

Please do not hesitate to discuss with the Form or Subject Teacher of your child / ward should you have any concerns regarding his/her learning progress.

Mid-Year Feedback

The teachers will be issuing the Mid-Year Feedback for your child based on the learning outcomes with reference to your child's daily work, classroom participation, assignments and HBL lessons.

This feedback is purely formative so that you can understand your child's learning progress thus far. *This document will not be included in the report book.*

Parent-Teacher Meeting (PTM)

There will be an online PTM on Friday, 17 July 2020, 7.30 a.m. – 5 p.m. There will be **no school for all students** that day. For more information on the PTM and how to make bookings for the PTM, please refer to PLTP 6 dated 29 May which was sent through PG. A copy of PLTP 6 can also be found on our school website.

Warm regards,
Ms Rajesheela D/O Rajanthiran
Assistant Year Heads, Primary 5
