17 June 2020

Through Mr Muhammad Sadhiq
Year Head (Primary 5 and 6)

Dear Parents/Guardians,

Primary 6 Term 3 Level Matters

It is great seeing our students back in school! Our students have remained positive and resilient in the face of adversity and we are very proud of them.

Term 3 can be a stressful time for our Primary 6s as they strive towards excellence in their academics. We will be teaching our P6s life skills to help them better manage their stress and emotions. Let's work together to ensure that our students continue to remain resilient as they prepare for their PSLE.

I believe that you will find the 'Resilience Booster' useful. This resource has been uploaded to the school website under 'P6 Term Letters and Briefing Notes'.

The P6 teachers look forward to your continued partnership to help your child reach his/her full potential. Together is better!

Taken from 'A Dose of Positivity'
found on our school website

Assessment Update

The school believes both formative and summative assessments are integral parts of our students' learning process. In view of the removal of the mid-year Semestral Examination, the school will have oral practice and timed practice this term. The distribution of weighting is as shown below.

Term	1	2	3		4
Mode of assessment	Term Review 1	SA1 (cancelled due to FHBL)	Timed Practice	Prelims	PSLE
Weighting	0%	-	0%	100%	100%

All forms of assessment provide insights to our students' learning and as such, we seek your cooperation in ensuring that your child is present during the periods of assessment for all subjects.

Please do not hesitate to discuss with the Form or Subject Teacher of your child should you have any concerns regarding his/her learning progress.

More information regarding Timed Practice and Preliminary Examination can be found in Annexes 1 and 2 respectively.

Primary School Leaving Examination (PSLE)

Your child will be receiving a booklet titled *2020 Primary School Leaving Examination Instructions to Candidates* this term. Please go through the booklet with your child before the examinations.

The PSLE examination timetable can be found on <https://www.seab.gov.sg/home/examinations/psle>.

Mid-Year Feedback

The teachers will be issuing the Mid-Year Feedback for your child. The teachers will share your child's learning outcomes in Semester 1 with reference to his/her daily work, classroom participation, assignments and HBL lessons.

This is purely formative so that the teachers and parents can work together towards supporting your child this semester. Do note that this document *will not be included in the report book*.

Parent-Teacher Meeting (PTM)

There will be an online PTM on Friday, 17 July 2020, 7.30 a.m. – 5 p.m. There will be **no school for all students** that day. For more information on the PTM and how to make bookings for the PTM, please refer to PLTP 6 dated 29 May which was sent through PG. A copy of PLTP 6 can also be found on our school website.

Warm regards,
Ms Sheila Zheng
Assistant Year Head, Primary 6

VISION

Lead with Character, Serve with Talents

MISSION

Nurturing concerned citizens with integrity and a spirit of excellence through holistic education

SCHOOL VALUES

Respect, Integrity, Care, Excellence
